If you have a disability requiring reasonable accommodations, please contact us to discuss assistance 14 days prior to the class.

This class includes participation, demonstration and written evaluation. Upon successful completion, the participant will receive a PALS Provider Card. The card will be mailed to you approximately 2 weeks after the course.

You are not officially enrolled in the course until your full fee and completed registration is received and processed by the Education Department. There is a non-refundable \$10.00 processing fee once your registration has been processed. No refund is given after 24 hours prior to the start of the class. Please make **checks payable to Simi Valley Hospital**. If for any reason you lose your card, a duplicate card can be obtained from the Education Services Department for a fee of \$4.00. The AHA strongly promotes knowledge and proficiency in BLS, ACLS and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA, and any fees charged for such a course do not represent income to the Association. If you have any questions or need further information, please contact the Education Department at (805) 955-6890.
