

**Cardiopulmonary Resuscitation
Heartsaver First Aid Course
Adult and Pediatric**

This CPR and First Aid Course consists of one session and is approved by the American Heart Association. This course is for the general public who would like to learn CPR and first aid. This course teaches CPR and relief of choking in adults, children and infants and the use of barrier devices. The first aid section of the course teaches how to manage illness and injuries in the first few minutes until professional help arrives. The First Aid portion includes both Adult and Pediatric First Aid

This class includes participation and demonstration. Upon successful completion of the course, the participant will receive a Heartsaver CPR with First Aid Card. The card will be mailed to your home in approximately 1-2 weeks after the course. The fee for the course is \$85.00 per person. Per American Heart Association's guidelines, the textbook for this course is mandatory. This fee includes the textbook and postage. The textbook will be mailed to you to assist you in preparation. The classes are held in the lower level of the Hospital in the Citrus/Peppertree Room.

2010 Class Schedule
9:00 AM - 4:30 PM

March 14 June 6 December 5

You are not officially enrolled in a class until your full fee and completed registration form have been received and processed by the Education Department. If you have a disability requiring reasonable accommodations, please contact us to make arrangements a minimum of 14 days prior to the date of the class. Payment of check or money order can be made by mail. Cash will be accepted when received in-person only. A \$10.00 non-refundable processing fee is subtracted from any refund, upon cancellation, once your registration in the class has been confirmed. No refund is given after 24 hours prior to the start of the class. You may re-schedule for the next available class date, one time only. If for any reason you lose your card, a duplicate card can be obtained from the Education Services Department for a fee of \$4.00. The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA, and any fees charged for such a course do not represent income to the Association.

If you have any questions or need further information, please contact the Education Department at (805) 955-6890. Thank you for your support. **Make checks payable to Simi Valley Hospital.**
